Orders are typically delivered 1-3 days in advance of your event. Bayly's will set a delivery schedule, and every customer is given a tentative delivery schedule. Responsibility for equipment remains with the client from the time of delivery to the time of pickup. Please be sure all equipment is secured under tent when not in use and protected from the weather.

**Any sprinkler zone that wets the tent or items within the tent must be turned off while tent remains installed, or you will be charged replacement cost of damaged items.**
